Save the Date! March 11-14, 2020

History comes to life in San Antonio. The city's rich culture offers an authentic glimpse of early Spanish colonial life in the Southwest. As the first civilian settlement in Texas, San Antonio de B exar was founded in 1718. Today, many of the city's early architectural and cultural elements remain, allowing visitors to see into the city's storied past first-hand. Our brave old world is your next, new adventure. Join us as we pair historical sites and landmarks with modern-day events, celebrations and fun.-(visitsanantonio.com)
