

51st Annual Meeting in New Orleans, LA

March 2-5, 2022

Call for Papers

Deadline for Paper Submissions: October 4, 2021

2022 Program Chair: Venugopal Gopalakrishna-Remani, The University of Texas at Tyler (venugopal@uttyler.edu)

For more information, see the conference website: www.swdsi.org/SWDSI2022

Competitive Papers. Full-length competitive papers are invited on, but not limited to, the topic areas listed below. All submitted papers will be reviewed by qualified individuals and through a double-blind peer-review process. Also, we welcome the submission of up to one-page single-spaced research abstracts (150-300 words). Acceptance of papers and abstracts are subject to final approval by the Track Chairs/Program Chair. Accepted papers and abstracts of authors who have registered for the conference by the close of online registration will be scheduled for presentation at the annual meeting. Presented papers and abstracts will be published in the Proceedings (available on the SWDSI website only). Paper submission acknowledges that the author(s) will register for and attend the conference and personally present the accepted paper at the time specified in the conference program.

Submission Policy. The submission of a paper or abstract means the author certifies it is not copyrighted, has not been accepted for publication in a journal or proceedings, has not been presented at another professional meeting, has not been accepted for presentation at another professional meeting, and is not under review for a journal, proceedings, or presentation at another professional meeting. Concurrent submission and/or presentation of the same or similar paper at another conference is considered a breach of professional ethics. DSI has a code of ethical conduct accessible at <https://decisionssciences.org/discover-dsi/governance/code-of-conduct/>.

Program Participation. Paper reviewers and session chairs are needed for the program to be a success. Please contact the Program Chair or a Track Chair by October 4, 2021, if interested in serving as session chair or reviewer. Authors who submit papers should expect to be asked to review at least one paper for the conference. Symposia, tutorials, and workshops on current topics are invited. Please contact the Program Chair concerning these proposals.

Distinguished Paper Awards. Distinguished paper awards will be presented to outstanding papers.

Student Papers and Consortium. Up to three cash awards for student papers will be presented. Papers submitted in the student track must be solely of student authorship. Watch the SWDSI website for information about the Doctoral Student Consortium.

Fast Track Journal Reviews. Papers nominated for the best paper awards may be recommended to a group of journal editors for a round of fast track peer review and possible publication:

International Journal of Mobile Communications (www.inderscience.com/ijmc)

International Journal of Electronic Finance (www.inderscience.com/ijef)

International Journal of Services and Standards (www.inderscience.com/ijss)

Electronic Government: An International Journal (www.inderscience.com/eq)

Studies in Business and Economics (<http://www.qu.edu.qa/business/journal/>)

Special Sessions. Proposals for pre-conference workshops on topics such as: business analytics and big data, using Teradata, SAP, Tableau, etc. or panel discussions on business intelligence, big data, internet of things, classroom technology, etc. are invited. Please contact the Program Chair concerning these proposals.
