

Celebrating 50 Years of Multi-discipline Research Excellence! Call for Papers

Federation of Business Disciplines March 8 -11, 2023
Hyatt Regency, Houston, TX

Houston will be the host city for our 50th Anniversary! “America's fourth-largest city is a cosmopolitan destination, filled with world-class dining, arts, hotels, shopping and nightlife. Take a stroll through the historic Heights, spend the day exploring the Museum District or head down to Space Center Houston. Later on, grab a bite in one of dozens of award-winning restaurants, or hang out with the cool kids on Washington Avenue. There's always something to do in this Southern hospitality meets urban chic city.”(<https://www.visithoustontexas.com>). Our meeting in downtown Houston is at the heart of this vital urban city. Take a few steps to ride the METRORail to the Museum District or the Houston Zoo. Take part in the interactive nature of the Downtown Aquarium. Sporting events at Minute Maid Park are close by. The restaurant scene is a very diverse one in Houston and you can sample from a variety of cuisines.

Federation of Business Disciplines (FBD) has been a major source of multi-discipline programs for business school educators, bringing together the brightest minds to learn from one another, building credibility for the teaching professional and providing opportunities for networking, faculty development and enrichment. FBD’s mission is to bring a new measure of excellence by emphasizing quality and cutting-edge research, identifying new approaches and ideas, and examining issues that confront the ever-changing teaching and learning environment.

You are encouraged to submit conceptual and empirical manuscripts, addressing timely and relevant issues in all business disciplines. You are invited to propose special sessions and workshops dealing with pedagogical issues. The approximate deadline for competitive submission is mid-September 2022.

FBD’s member associations represent areas of accounting (SWAAA), business communication (ABC-SWUS), small business and entrepreneurship (ASBE), business information systems (ABIS), marketing (ACME), decision sciences (SwDSI), management (SWAM), case research (SwCRA), finance (SwFA), and economics (SSE). Each association issues its own finalized Call for Papers about its specific submission procedures and deadlines.

These general areas also provide the opportunity for you to benefit from the FBD conference if you teach and/or research in health care administration, strategic management, environmental management, public administration, legal studies, human resource management, information systems, administration and management, political science, and public and private management.

By joining the FBD community of academic disciplines represented above, you access the collective knowledge and experience of nearly 1000 members. You will have a great time networking, sharing research and ideas with other members of this Federation of Business Disciplines.
